These are examples of what our clients tell us:

- Not enough hours in the day to get everything done.
- Revenue is growing but cashflow isn't keeping pace.
- Things aren't going right but I can't put my finger on the problem.
- Lots of finance figures but little meaning.
- Which regulations apply to me?
- I'm a slave to the business.
- HMRC and Companies House returns look complex.
- How could I sell the business?
- Keeping all the balls in the air is becoming more difficult.
- I need to spend more time on sales.
- How can I improve productivity?
- If only I had time to ....
- Why don't IT people speak plain English?
- We need to find new customers.
- I don't have time to plan.
